

**April 24, 2017**

**Attendees:** Barb Moulton, Jessica Breckenridge, Kelly White, Heather Kirk, Judith Sammon, Frank Stokes, Shaun Hassanali, Laura Rupert, Gabriella Beyer, Genn Browne, Karen Heney, Lisa Lahey, Jody Ferguson, Todd Stiles, Bruce Ewen, Tammy Gibson, Bob Easy, Brian

Meeting called at 6:30 p.m. at Danby's restaurant.

Round table introductions.

Minutes from February were brought forward. Heather approved minutes.

Update of past events:

**Easter Egg Hunt**

Shaun commented on the Easter Egg Hunt. It was a success. 75 participants. Most participants were in the middle age range.

**Roles of MCA.**

Introductions were made of everyone's roles and responsibilities.

Meetings are once a month. Agenda will go out before the meeting, if you wish to add to the agenda please do. There is also a mass MCA email that has been updated.

Karen brought up decorum of members to please use respect when we are saying an opinion. If you have a problem within the group please contact Jessica and Shaun and they will try to help with this. Please remember we are all volunteering our time. We will try this at this point. Please respect one another. Looking at the by-laws we see that they are outdated and from the 1980's and do not reflect email votes and facebook.

**Banking**

All bank money is in for the year.

CIBC banking is a savings account with no investments. The MCA needs 4 people to have signing authority. The people will be Jessica, Shaun, Heather and Bruce. 2 people sign each cheque. To receive signing authority Shaun will bring copy of AGM minutes and letter of direction to the Bank.

**Garage Sale**

Tammy Gibson spoke to the garage sale and said the Munster Garage sale will be May 27th . On that day is also the church Bake sale and Barbeque.

Tammy requested 35.00 for supplies, Shaun approved and Jude second.

### **Community Clean up**

May is community clean month. Please try and clean your area. This is a friendly show of community spirit. Last year Goulbourn won Clean the Capital award. Beavers and Guides have already started to clean.

### **150 Canada Day in Munster**

Laura spoke to this. We are looking at Fireworks, Inflatables, Little Ray's, Comedy and Balloon guy, Goalie association will run the BBQ, Time capsule, and maybe DJ as a band is very expensive. Tent for bad weather.

Maybe we could partner up with Danby's ?

Another suggestion was to decorate your house red and white to show spirit.

Suggested by Gabi was to have a quilting bee and everyone in the community do a patch on a quilt and display it in the community center.

We already will be receiving 4000.00 as a grant to celebrate 150 years.

Move to approve for 3900.00 could be more at a later date. Shaun moved to approve and Jude second.

### **Munster Monster Soccer**

This soccer activity started 5 years ago. MCA pays the rate to rent the field. \$30.00 a child with priority to Munster children. 1st Tues in July for 8 weeks. Gabi asked for 70.00 for rental and incidentals. Todd moved to approve and Laura second.

### **Newsletter**

The newsletter comes out in May and may be pushed back just a little. New executive will be published in it. If you have any content contact Jude. Canada Day will be added.

MINUTES - Munster Community Association [2017](#)

### **Initiatives**

Round table was asked of everyone.

Lisa- overhaul of website

Todd- contact Scott Moffatt city councillor and continue the communication with him on the growth of our community to make sure we as a community has a voice in its development, example green space. MCA should lead this project as to what exactly we want. Ask the people of Munster what they want to find a consensus. How do we get the feedback? With this information we will pass it along to Scott Moffatt. Also to Talos. They are asking what do we want.

Todd to contact Scott.

Frank- improvements on the boulevards in Munster. Frank has asked for the city parks department to help. Frank to meet parks. Hoping to have a clean up to be done so that the garbage does not get shredded. The city is paving Bleeks but only a small percentage, it would be good to at least get it done to the Munster boundaries. Frank to follow up with Scott Moffatt.

Karen- MCA should make the community better. The school and Macs are gone. There was a sewer flood here in Munster. Jessica has contacted Scott Moffatt about the flood and waiting on the response.

Bruce- Liked Karen`s idea of working on behalf of the people. Interested in a senior's night for instance senior social and cards with coffee.

Jude- interested in a Uber like service for transportation from Munster. MCA could connect people to get rides for groceries etc. Also a welcome wagon, Jude to ask Danby`s to see if they could bring in items like a grocery store.

Heather- coffee morning , seniors walking program to keep this up and more programs at the school.

Jessica- Asking Jody about a logo to represent Munster. Maybe make 3 designs and let the community have feedback as to what they like. This would be branding and incorporate it in the membership drive.

Laura- suggested a park being named after Bob Easy. We could submit an application for it through the City of Ottawa. It could be a field or a ball diamond. Shaun motioned this and Laura second it. Jessica to ask Bob.

MINUTES - Munster Community Association [2017](#)

**New Business**

Bob Easy proposed 200.00\$ donation for the goalie group and they will clean the roads in Munster Bruce first and Gabi second.

Nursery School asking for money for the Ball Tournament .

24hours was given to us to look it over. They are asking 1500.00 . Bruce moved and Kelly second.

Meeting adjourned 8:15

Next regular Munster Community Association meeting: May 8,  
Future dates are Monday June 12th and Monday September 11th at Danby`s restaurant.
