Notes from past events

Laura requested \$300.00 for the scavenger hunt. There was an unanimous vote for approval for the request for \$300.00 dollars for the scavenger hunt by Heather, Jude, Gabi, Shaun, Barb, Jody, Lisa and Todd.

Harvestfest

Laura spoke about Harvestfest. Awesome event, great weather, good turn out, returning partners,. We made \$320.00 from the Pony rides that will be going to the Richmond Food Bank. Great media coverage. Jessica and Laura wore a t-shirt with the new Munster logo. These t-shirts were popular and maybe a fundraiser in the future.

It was suggested to round up the amount to \$400.00 from the pony rides for the Richmond Food Bank. Bruce moved to approve.

Karen asked maybe in the future the MCA could buy a tent instead of renting?  
Storage would be a problem, insurance, and set up?

Scavenger hunt

Laura spoke about Scavenger hunt. The weather was great, 15 teams, this year a partnership with the public library. The same day the library did an escape room. Thanks to Susan MacDonald at the library for the fun with the green screen.

Halloween Decorating

Shaun spoke about the Halloween Decorating contest. This is the 3rd year running, the quadrants competing against each other.

The winners were

Gorr house on Bleeks

104 Biltmore

14 Cove Court

83 Owlshead

22 Butterwick

Karen suggested to post the winners on a separate post on Facebook for all to see.

Maybe next year we could have a parade of pumpkins after halloween and light the pumpkins at the park or along Munster road.

#### Financial Update

Bruce spoke about this. We have money.

#### Santa's visit at the community center

Heather sent an email about this. The visit is on November 26th from 3:00-5:00. The church is donating cookies. Santa is booked and student volunteers will help. The Christmas lights will come on. Saturday November 18th Shaun is looking for helpers with untangling the Christmas lights and a truck is coming to put the lights up.

#### Membership Drive

Membership is happening now.

#### Newsletter update

Jude spoke about this. When should this go out? Having trouble with gathering of information from others. Jude would like everyone to give her information about dates that are coming up. The timeline we suggested will be for November 20 for the next newsletter . Jude will ask for information by November 17 to make sure everybody gets info to Jude. Bruce had an idea that we would highlight each advertiser during the year. A Resident suggested a special article about what brought you to Munster or something about being a Canadian for the 150th year. Jude has a fundraiser for the MCA. It will take place on November 30 at 7 PM at Danby's. All the proceeds will be donated to the MCA. There will be jewellery, leggings, and sentcy. .

#### Foot care proposal

Shondra repropoed her proposal of \$600 to assist with her business. Jessica re-read the proposal she is a nurse that does a foot care clinic to start once a month hoping to start in October. She's requesting funding for materials.. It was suggested that because it is a business we would not be supporting businesses with money but we could help out with the rental of the community centre once a month so that clients could come in for foot care.

#### Münster scouts

Barb spoke about this. Asking for another year of partnership with the MCA. Also for the MCA to be aware that the beavers are no longer in Munster.

Shaun first for a few approval

Everyone in favour .

#### New business

The Goulbourn Christmas market is now moved this year to the Goulbourn municipal buildings as the museum is under construction.

Shaun brought forward a fundraising request of \$100 for Christmas decoration house contest for Munster. Top three decorated houses in Munster including Bleeks and Biltmore with a \$25

price. This will begin December 2 nd and finish December 20th. The winner will be announced in the Munster community Association Facebook page.

Will reach out to the groups for help such as the church for pancake breakfast the school for the afternoon activities and the bonfire and skating. We will have to ask Heather when the community centre is available for use. We can discuss this online for a date.

Rink

Who will help with the rink. Hopefully Jay can start it or at least open and close it.
