Membership - Phonebook presented by Jude. The PDF to be sent to Jiffy printing. Looks great!!!

Financial update- we have a good balance and everything is updated.

Winter Carnival - Heather Kirk has all their permits such as bonfire for Friday night and Saturday night, the radio station will open on Friday night. There will have open skate and crafts in the community center. Saturday the church will have a breakfast and in the afternoon the school will have a magician and fun children's activities. On Saturday evening there will be a horse wagon ride. Danby's will be at the canteen at the community center and the school. You can also order family meals through Danby's that weekend.

Heather, Jody, and Jude to work on a flyer and put in the mail for everyone in Munster to know about the schedule of the winter carnival. Jude would like to know what we think about having a Winter Carnival mascot. The mascot could ride on the wagon ride. That sounded like a great idea. There will be fireworks around 8 o'clock. At this time not sure where the wagon ride will start. Local politicians have been invited.

Outdoor skating rink - All is well. Maybe we can update rules at the rink and in the change room. These rules will be posted for all to see. Karen was asked by a community member maybe we could buy snow pounders to help even out the rink. Bruce says he has a gift card from Canadian tire that could help with the cost.

Youth basketball update- The ages for youth basketball are for ages 13 to 15 we have volunteers Laurie Neff, Mike Francis, and Laura Rupert.

Karen asked if this is a MCA stamp of approval. If it is perhaps maybe we should ask for police checks. It was agreed that we would have a waiver signed by parents. Also stating that the police checks are pending. Volunteers would have rules to sign as well.

Annual general meeting-Our annual general meeting will be April 23 2018 at 6:30. It will be at the community centre. We will book the community centre for this meeting.

Newsletter-Jude asked when is a good time for the newsletter to go out. Lots of discussion. One option was beginning of March so that it's closer to the Easter egg hunt.

New business-

It was asked by a community member that perhaps the MCA could buy broomball equipment. Bruce said he would look into Canadian tire to see what we would need. Helmets would be mandatory.

Shirt orders-We are starting to look into options and styles for shirt orders. Perhaps Mike Bonvie would be contacted

Meeting adjourned at 7:53.

Our next meeting will be Monday February 12th 2018.
