Sharon felt that the MCA should be more open to the public. We should be posting more things and to be using our sandwich boards more , and to continue to be building up our mailing list. Posting when the MCA meetings are on the Facebook page to see the dates.

There was a request for Sand del Lee Motocross Park to slow down on the roads when you were leaving the park to show the community some respect . People are driving too fast. Sharon said she would say something to them.

Karen presented the medals from the judo day in Munster. 250 people attended this event.

Meeting adjourned at 8:15
