Phone Books are being printed now and should be sent out early January.

- 362 deliveries

- 450 copies made

Georgia reported that the newsletter is out. She would like to thank Jude for all her help and she would try her best.

Tami reported that the Santa visit went very well. Lots of people helping. Would not change anything as it went well.

-70 crafts

-8 dozen cookies

Lots of hot chocolate

Tami proposed that we do something different as far as the Winter Carnival is concerned. It is our least attended function and very weather dependant. Perhaps we have a skate night a couple of times in the winter with crafts inside and selling food in the canteen.

Dave first approved

Georgia second approved and all in favour.

Perhaps one a month. On a Friday or a Saturday night?

Susan thanked Tami for getting the Christmas celebration ready.

Starting in January, Susan will be getting the 50th Anniversary party ready. Looking to have the Munster beautification project done before the 50th Anniversary. Susan to contact the coffee club to see if they would like to contribute. The date will be set soon.

Jessica said she would look into funding opportunities for the 50th.

Iain reported that the playgroup things are all organized . Old Christmas trees are going up on the Facebook group for anyone to take. The Santa bench is going in the storage bin. Susan to help with taking down the Christmas tree.

Susan suggested that the Winner of the Fuller Christmas light contest can be asked if they would like to be a judge for the next year, if they want.
The judging for this year will be done today and tomorrow.

Iain reported 4 rentals in November, 4 rentals in December and 4 rentals in January as of right now. Perhaps in our contract we could write up that the people who pay can have priority over the non-paying people. The change room cleaned up and the storage room has been cleaned out.

Dave reported he is having difficulty getting in touch with the school board rental people for the organizing of the basketball in Munster. Looking at January to May. In the past the basketball night was Tuesday night 6-8.

Also as a group we will need to think about the AGM. Thinking about positions, if they work and would you like to try a new position. Dave last comment was to say we have a great group with a positive vibe.
