Bob Easy announced that the Munster Ball Tournament will be May 29,30, and 31. This will need to be put into the newsletter. Bob Easy is having a meeting in a few weeks and he will then get back to the MCA as to what he would like from the MCA.

Georgia is now the Newsletter Director and no longer a Social Director.

50th Anniversary

Susan discussed the day 50th anniversary. The date for the celebration will be on September 12th. With a picnic and items to be bought for those that want to buy food. We will be celebrating all year long at events. Another idea is to go around to each house with a chalk board and writing when they moved to Munster and take their picture. Also perhaps a time capsule. Susan has started to put pictures up of Munster events in the past on the community centre bulletin board. Jessica is looking into grants to help with the 50th anniversary funding. Also the 50th anniversary committee is looking into a logo for a mug. The committee is looking at involvement from the community through Facebook. Using #50 and we can have the pictures all together. Perhaps a small budget to start. \$500.00 is approved and all in favour.

Iain started talking about the community centre. Do we charge for use or do we have a membership for use? This is something we thought we would talk about as a committee this year but this will be deferred for the beginning of the next year with a new committee.

Jude will be dropping off some welcome packages to new families in our community.

Gabi spoke about the rink crew. They are awesome and doing a great job. Asking for \$300.00 for a thank you dinner at Danby's . Iain first and Georgia second and we were all in favour.

Tami discussed the skate night. It was a success. We lost a little money on hot dogs and pizza but it was well attended and fun. Our next one will be February 29 or March 7? With a baked bean contest and a cupcake contest. Probably the 29th as it is earlier.

Barb asked about the March meeting as the date is March break. We will discuss through an email what date works best for everyone? Also the Munster Scouts will be giving the MCA some of the money they have as it is collapsing its group and have some funds left over.

Jessica will be doing a web update and email blast.

Dave will be delivering the Danby's gift certificates to the people that won the Christmas decorating contest.

The date for the AGM will be Thursday April 16th from 7:00-8:00. We will need to invite Scott Moffatt. Perhaps change one of the board titles of the job of Website to Communications.

Georgia would like information for the newsletter from those that need to submit . We are aiming for a March newsletter before March 17th .

Meeting adjourned 8:19.
