

**MUNSTER COMMUNITY ASSOCIATION** [May 14 2020](#)

**This meeting was conducted through Zoom (an online meeting) due to Covid19 and Ontario being in a State of Emergency**

Thursday May 14, 2020

**Attendees:** Dave Tellier, Georgia Read, Jessica Breckinridge, Susan McDonald, Laura Doane, Barbara Moulton, Bruce Ewen,

April's minutes approved by Georgia and second by Bruce.

Susan is waiting to buy flowers for the community center garden. Right now the community center is locked due to COVID 19. Susan is waiting to hear back from Derek at the City of Ottawa to see if she can access the water at the community center for the gardens.

Bruce stated that we have not spent any money in the past few months.

Georgia is waiting for the newsletter from the printer. It may take a while due to delays of everything.

Jessica was saying that she is swamped with work, homeschooling etc. Perhaps someone can take over her position. Bylaw states we can fill a vacant position as needed by a vote of current board members.

Jessica spoke about Tami's idea of having a Canada Day Scavenger Hunt. It would be a week-long event. Different categories would be families, teens, adults etc.. We could register online to see how many would participate. There would be prizes from local businesses. The budget suggested is 1000.00 proposal, this would be an email vote.

With discussion of the 50th anniversary. Families can take a picture of themselves and send it in. Discussion in the community was that Munster has been around longer than 50 years. Jessica suggested the new slogan could be "The year the suburbs came." This was a great suggestion and everyone seemed to love it.

The next newsletter is September. If you have anything you wish to add to the newsletter please send it to [newsletter@munster.ca](mailto:newsletter@munster.ca). Sending the pictures to this email helps Georgia keep all the pictures together and she does not need to go searching for them.

Next meeting is June 18 th at 7:00

Meeting is adjourned at 7:49.
