

Welcome to the Munster CANADA DAY Scavenger Hunt for TEENS AND ADULTS

Before we begin, there are a few things to know:

- All your 'clues' are hidden all around Munster. (Blue signs to blue signs)
 - Below are useful hints to find your 'clues'.
- Note that this hunt pays tribute to the teachings of the Four Sacred Directions.
 - The **Owlshhead Quadrant** will be labeled the **West** quadrant.
 - The **Butterfield Quadrant** will be the **North** quadrant.
 - The **Coldstream Quadrant** will be labeled the **East** quadrant
 - The **Dogwood Quadrant** will be the **South** quadrant
- On all 'clue' pictures, there will be a letter. It is very important you write all the letters down on a sheet of paper or take a picture with your phone..
- Once you have all 13 'clues' found and their letters, you can now decipher the mystery 2 words that those letters create.
 - Once you have deciphered the two worded answer, email Laura at lauraleephotography@hotmail.ca (please note it is .ca and NOT .com) with your first and last name, your answer (2 final words). In the subject bar, please put **TEEN/ADULT** so I know the hunt you completed.
- Please DO NOT TOUCH OR MOVE anything and keep socially distanced from others.
 - You have from June 27th-July 4th to complete the hunt.
- **Winner will be picked by random draw from those who complete the hunt and give the correct final word. Prize valued at \$225**
