Iain is interested in tshirts for Munster and he will print a limited amount to see how they sell through Dope Mom Designs. They will be 25.00\$ all together and then the profit will go back into the production of the tshirts. For advertising this year the MCA will charge \$75.00 due to 3 newsletters instead of the usual 4 due to covid.

AGM

In case we are doing our AGM online, we will try to do a survey online for voting in case we have 2 people that want a certain position.

Iain wants to thank the kids that helped clean up the park.

Susan will start planting flowers but will wait until the last frost has happened.

Genn will stay on the MCA Facebook page as a moderator. The MCA Facebook page should be an online tool that brings the community together and not bring it down. Our rules are to be kind.

[Frank Stokes](#) did talk to Scott Moffatt about the traffic limit on Bleeks but not sure what the conversation was.

Scott Moffatt and the city crew are looking into fixing our rink boards this summer and the basketball net by the school.

Iain offered to help with membership. Laura will talk to Genn about the membership and what will happen with the turnover of the membership to Laura.

Meeting adjourned at 8:00.
