

# Welcome to the Munster CANADA DAY Scavenger Hunt for FAMILIES

Before we begin, there are a few rules that you must know to ensure success.

- Your hunt begins with word scrambles, that as a family, you must decipher. Once you have the unscrambled word, you will look for your “clue” in that area.. All clues can be found on the land spaces by the park, school and community centre.

- On the hidden ‘clues’, a letter can be seen in the bottom corner. Write that letter down. You will need to find all the letters to decipher the final two word answer.
- Note that the final two word answer is related to Indigenous people in some way.
  - Once you have deciphered that final 2 word answer, email Laura at [lauraleephotography@hotmail.ca](mailto:lauraleephotography@hotmail.ca) (please note it is .ca and NOT .com) with your first and last name, and your answer (final 2 words). In the subject bar, please put **FAMILY** so I know the hunt you completed.
- Please DO NOT TOUCH OR MOVE anything and keep socially distanced from others.
  - You have from June 27th-July 4th to complete the hunt.
- **Winner will be picked by random draw from those who complete the hunt and give the correct final word. Prize valued at \$200**

---

Unscramble the list of words below to know where to look for your clues. These ‘clues’ are pictures of important animals, foods and plants to the Iroquois people and play a special role in the Creation Story (Skywoman).

(Loon, Turtle, Muskrat, Duck, Goose, Corn, Squash, Beans, Cornbread, Strawberries, Tree, Tobacco, Beaver)
